MOLINE AMERICAN LEGION POST 246

For God and Country

July 2015

Post Commander's Message

I have been elected to serve another year (2016) as your Post Commander. Since June of 2014 we have pursued a policy designed to separate us from a Post Home that is too large and too expensive for us to maintain. Through volunteers efforts and much support from our members, we have been able to tread water. We must now face the reality that volunteerism can only go so far. To date we have worked with two realtors to try and find a fit for our facility. We have not been able to do so. We are now working with an auction company to reach out to other potential purchasers. We are working to get a fair market price for our Post. The specifics were discussed at our June membership meeting and approved by the membership as presented by our Executive Board. Volunteers will be needed this summer as never before. Please consider helping us. Contact me at 309-236-4163 so that we can schedule necessary work details.

Installation of Post Officers will be at 1900 hours on Monday, July 27, 2015. Moline VFW Post 2153 is providing their home for the installation Ceremony. Please attend if you can and meet your fellow American Legion Officers and members.

God bless all of you and your families

Jack T. Smith, Commander
American Legion Post 246

Honor Guard Commander:

The American Legion Post 246 Honor Guard closed out calendar year 2014 having provided Military Honors for 251 Comrades. You'll be happy to know we are still accepting new members on the squad. In addition to new "bodies" we are desperately hoping for the return of former members that haven't been able to participate for various reasons. Please come back - we need you.

The Honor Guard is a DoD Certified Honor Guard to render final military honors to our departed veterans. Participation in the honor guard is on an "as available" basis. No full time commitment is necessary. Uniforms and training will be provided.

If you are interested in joining this elite group please contact Honor Guard Commander James Joseph at:
(309)781-5201 or jj4733@aol.com

The donations accepted from the distribution of poppies on those dates will be re-donated to the; American Legion Gifts for Yanks Program for Illinois Veterans, Veterans Homes in; Quincy and LaSalle, Illinois and to the Veterans while Hospitalized at the Veterans Affairs Medical Center (VAMC) Hospital in Iowa City, Iowa."

Post 246 Auxiliary Message:

Our Legion Auxiliary Unit 246 will be installing officers on Monday, July 27. We are looking forward to working with each other.

We would welcome old and new members to be with us. We are hoping the Auxiliary will be able to continue.

Presently, because we are unable to meet at the Legion, we were given a space at the VFW.

There are a few things we have in mind to continue and increase our membership. As we go ahead, work and help our goal is a new home in the future. From our members we need new ideas. I know we will remain strong, if we work together. Poppy Day's were very good, because of donations of the public. The Auxiliary worked with the Post members on this very important program.

Post 246 Honor Guard during the 2015 Memorial Service held 5/25/2015 at the Rock Island National Cemetery.

Senior Vice Commander:

Where does time go? As I prepare this submittal it is the last day of June. The Honor Guard has provided military honors for 125 departed comrades plus fired the rifle salute at Rock Island National Cemetery on 5//25/2015 in observance of Memorial Day. At that observance the local newspaper accidentally took our picture and published it the next day. We're pretty sure they thought we were someone else.

It's hard to put in words what a great bunch of guys we currently have on the squad. All are highly skilled, motivated and in most cases potty trained. More credit should be given to the spouses. They end up doing chores that normally would be done by their husband, if they weren't out honoring a fellow Veteran. As big a sacrifice as that seems, we do occasionally receive a thank you note (usually anonymous) thanking the post for getting their husband out from underfoot.

We are fortunate to have the finest "live" bugler in the area (Tracy Hepner). It is a little disturbing however, to occasionally be referred to as "Tracy's' group" instead of Post 246.

Well, enough of this crap for now. Hope you had your boots on.
